Report on the Lecture Programme on the Revised Course

Structure of GU

Regarding FYUGP under NEP, 2020

Date: 12 March 2025

Venue: Champakjyoti Pekhagriho

Speaker: Dr. Dilip Kumar Goswami, Assistant Professor, Department of Economics, Chhaygaon College.

No. of Participants: 32 teachers

The IQAC, Chhaygaon College, organised a lecture programme on 12 March 2025 to orient the faculty members on the Revised Course Structure of Gauhati University (GU) under the Four-Year Undergraduate Programme (FYUGP) as mandated by the National Education Policy (NEP), 2020. The session was held at the college to familiarise teachers with the updated curriculum framework, credit structure, assessment patterns, and pedagogical approaches. The lecture was delivered by **Dr. Dilip Kumar Goswami, Assistant Professor, Department of Economics, Chhaygaon College**. In his presentation, Dr. Goswami elaborated on the key components of the revised FYUGP structure, including major–minor combinations, multidisciplinary options, skill enhancement courses, internship requirements, and the flexibility offered to students. He also clarified the modifications introduced by Gauhati University and discussed strategies for effective implementation at the institutional and departmental levels. A total of 32 teachers participated in the programme, engaging actively in the discussion and raising queries related to curriculum design, workload distribution, and evaluation methods. The programme concluded with an interactive session and a vote of thanks, marking a productive initiative by the IQAC toward ensuring smooth adoption of the revised NEP-based course structure at Chhaygaon College.
