63. Teachers are supportttative

64. From the very beginning of my college life, I have cherished every moment spent in Chhaygaon College. Being a student of the Commerce department has been a blessing — our teachers have always been supportive, student-friendly, and polite in every situation. Their guidance has shaped not only my academics, but also my character and confidence. Now that I am in my last year, the thought of leaving this institution feels emotional and heavy. As a part of the Students' Body, serving as the Cultural Secretary, I have gained experiences and memories that I will treasure forever. This college has given me friends, lessons, and a second home. Though this chapter is ending, my love for this institution will always remain. I pray and hope that Chhaygaon College continues to shine as the best in all of Kamrup District and beyond.
